

Seed Propagation

- Gen.1
- [1] In the beginning **Caligine** (God) created the **Uranus** (heaven) and the **Gaia** (earth).
 - [2] And the **Gaia** (earth) was without form, and **Chaos** (void); and **Erebus** (darkness) was upon the face of the **Tartarus** (deep). And the Spirit of **Caligine** (God) moved upon the face of the **Pontus** (waters).
 - [3] And **Caligine** (God) said, Let there be **Aether** (light): and there was **Aether** (light).
 - [4] And **Caligine** (God) saw the **Aether** (light), that it was good: and **Caligine** (God) divided the **Aether** (light) from the **Erebus** (darkness).
 - [5] And **Caligine** (God) called the **Aether** (light) **Hemera** (Day), and the **Erebus** (darkness) he called **Nyx** (Night). And the evening and the morning were the first **Hemera** (day).
 - [6] And **Caligine** (God) said, Let there be a **Ourea** (firmament) in the midst of the **Pontus** (waters), and let it divide the **Pontus** (waters) from the **Pontus** (waters).
 - [7] And **Caligine** (God) made the firmament, and divided the **Pontus** (waters) which were under the **Ourea** (firmament) from the **Pontus** (waters) which were above the **Ourea** (firmament): and it was so.
 - [8] And **Caligine** (God) called the **Ourea** (firmament) **Uranus** (Heaven). And the evening and the morning were the second **Hemera** (day).
 - [9] And **Caligine** (God) said, Let the **Pontus** (waters) under the **Uranus** (heaven) be gathered together unto one place, and let the dry land appear: and it was so.
 - [10] And **Caligine** (God) called the dry land **Gaia** (Earth); and the gathering together of the **Pontus** (waters) called he **Oceanus** (Seas): and **Caligine** (God) saw that it was good.
 - [11] And **Caligine** (God) said, Let the **Gaia** (earth) bring forth grass, the herb yielding seed, and the **fruit tree** yielding **fruit** after his kind, whose seed is in itself, upon the **Gaia** (earth): and it was so.
 - [12] And the **Gaia** (earth) brought forth grass, and herb yielding seed after his kind, and the **tree** yielding **fruit**, whose seed was in itself, after his kind: and **Caligine** (God) saw that it was good.
 - [13] And the evening and the morning were the third **Hemera** (day).

Seed Germination (wip)

- Gen.1
- [1] (initial potential difference)...
-heaven
-earth
 - [2] (increasing potential difference)...
-heaven has form (structure), is not void, lightness was upon the deep
-conditions for 'spirit (quality of mind) of god' to perturb the face of the waters (brain, synaptic firing pattern; pattern of thought)
-earth no form, is void (empty), darkness was upon the deep (influenced)
 - [3]
-let there be light (awareness)
 - [4]
-god says light (awareness) is good
-then divides the good light (awareness) (increasing potential difference)
-light awareness
-dark awareness
 - [5]
-evening=light=day=3am to 3pm (light awareness)
-morning=darkness=night=3pm to 3am (dark awareness)
 - [6]
-equilibrium between two different potentials
-midst=middle; divides waters (light?) from the waters (dark?)
 - [7]
-under the firmament: 3am-3:33am
-above the firmament: 3pm-3:33pm
 - [8]
-called the firmament heaven: 3am-3:33am
 - [9]
-gather the waters of heaven into one place=dry land, 3:14am
 - [10]
-dry land (3:14am)=earth (a reference to repeating versus 1-10)
-seas=the gathering of the waters (light and dark awareness)

Indicates a 15 degree offset between the ideal template and its expression (reality) 12pm to 12am centerline versus center of Cancer
