Jesus Hitler

Adolf Christ

Is this the second coming

Or the fourth Reich?

His mother a nun raped by a nazi
near the end of the second great war
gave birth to a son who could change the future
for better or worse he's not sure
I am what should never have been
the ultimate abomination
Have I returned to save the Jews
or to destroy them?

Hear thee my fellow nazolics
come join the Neotheofacists
keep the race pure practice eugenics
and swear to the holy swazafix

I have returned

Reich und Roll!

Hess to my left and Peter on my right
will it be war or peace
totalitarian on his throne of blood
commands both man and beast
a pair of souls trapped in the body of one
both prisoners of reincarnation
torn between good and evil

I have returned for salvae-elimination
